

SNACKEX 2026: Where the Global Savoury Snacks Industry Comes to Do Business

In June 2026, the eyes of the global savoury snacks industry will turn to Lisbon, Portugal, where SNACKEX — the sector's flagship exhibition — comes to the **FIL Expo Centre**. Taking place on **17 – 18 June**, this two-day event promises to be more than just a trade show. It is the definitive gathering for anyone involved in the manufacture, supply, or innovation of **savoury snacks and snack nuts**.

SNACKEX is unique in its exclusive focus on this fast-growing sector. As the only international trade fair solely dedicated to savoury snacks, it has established itself as an essential meeting point for buyers and suppliers looking to shape the future of the industry.

Why SNACKEX Matters

For exhibitors, SNACKEX is more than an opportunity — it's a strategic platform. A Showcase of Innovation and Capability

Exhibitors span the entire value chain — from snack producers to equipment manufacturers and ingredient suppliers. Expect to see leading companies presenting innovations in potato and corn chips, popcorn, baked and extruded snacks, as well as the latest in meat snacks and nut-based products. The event also features cutting-edge technology in weighing, packaging, extrusion, processing, and quality control.

2026 show will also spotlight services like consulting, paperless production metrics, and compliance solutions that are driving operational excellence across factories worldwide.
