

# TECNO PACK IS SYNONYMOUS WITH TECHNOLOGY, SKILL AND SERVICE IN THE PRIMARY AND SECONDARY FLOW AND PILLOW PACK PACKAGING INDUSTRY

**T**ecno Pack is synonymous with technology, skill and service in the primary and secondary flow and pillow pack packaging industry. A market leader company, Tecno Pack offers solutions that are always specific and designed for every field of application, with special focus on the food sector. Tecno Pack provides the packaging technology that your company requires: from the small manual loading electronic flow pack packaging machine to the complete system that removes products from the production line, stores them in single or multiple packs and then transports them to be palletised.

A sales team of highly skilled technicians, a knowledgeable and flexible technical department, in-house

production of all mechanical parts, careful selection of trade materials, top class production team and timely after-sales services, which is present worldwide, enable Tecno Pack to offer its customers machines and systems that are designed as "tailor-made clothing" and recognised as the ultimate expression of current technological innovation by companies as Barilla, Nestlé, Pavesi, Kraft, Baxter, Chipita, PepsiCo and many others.

High-speed, flexibility, modified atmosphere, product shelf life and global packaging integration in the company system are some of the issues that Tecno Pack tackles daily with enthusiasm and determination and which, together with its customers, provide it with new evolutionary impetus.

Tecno Pack is totally confident in being able to conceive its "tailor made clothing" also for your product and is committed from the outset in designing it, using the same care with which it is manufactured.

Tecno Pack's goal is to achieve only technological excellence, conforming it to the requirements and developments of your company and therefore gain, over the years, your total satisfaction.

Tecno Pack's offer is to work with you, so it can be decisive in the success of your company. 🏢
